Sir

Adverting to G.O. No. 112-24 / L.R. 20-02 of the 3rd July 1902 sanctioning the Budget Estimates of the several municipalities in the Kadur District and calling for further explanation on certain points, I have the honor to state as follows:—

Para 3 "II House tax and VII motharpha".

The decreases of Rs 50 and 220 under "Cart and Horse tax" at Tarikere and Birur respectively are due to the prevalence of plague in those places. The increase of Rs 40/- under "Horse tax" in Sakkrepatna is based on the Jamabandi figures, while the increase of Rs 45/- under "Shop tax" in Koppa is explained by the President of that Municipality (in letter No. 11 of the 14th July/02 herewith forwarded) to be due to the increase in the number of shops.

Para 4. VIII Rents.

3. The omission of Estimate under gardens in Tarikere is due to a fresh provision of Rs 50/- appearing in the Budget under E miscellaneous (i) "Sale of grass". The entry of Rs 60/- against "gardens" under VIII "Rents" in the Budget of the last year was Erroneous.

4. The increase of Rs 50/- under "markets" in Chikmagalore is explained to be due to more Stalls (beef and mutton) likely to be taken up for rent during the current year.

Para 6 Opening Balance

5. The President of the Sringere municipality solicits information as to how a debit balance of Rs 246/- was arrived at against that municipality when there was actually Rs 2944-14-4 on hand on 1st July 1902. As the accounts of Receipts and Expenditure of that municipality are audited by the Comptroller in direct communication with that Office, this Office is not in a position to supply the information.

Para 12 VIII Public Works

6 The Sringere municipal President further requests that in consideration of the above actual balance on hand at the credit of that municipality, the provision of Rs 2450/- made for works in his original

Budget, may kindly be retained as the roads in the town very badly require metalling &c. I solicit orders in the matter.

Para 14 II "miscellaneous" Cattle Pounds"

7 The necessity for the employment of a peon to the Cattle Pound at Kadur, having been explained in his Office letter No. 787 of the 5th May 1902, Government have in order No. 18768-9 / L.R. 20-02 of the 2nd June 1902 sanctioned it tentatively for one year, I request the favor of Government sanction to revise the closing balance of Rs 389/- by Rs 48/- and raise the expenditure to Rs 5016/-.

I have the honor to be,
Sir,

President of the
Municipal Board

Sir,

With reference to para 3 of Government Proceedings —

No. 112-24 / L.7 20-1902 dated 3rd July 1902 sanctioning with certain restrictions the Budget Estimates of this Municipality together with those of the other municipalities in the Kadur District for 1902-03, I have the honour to submit that the increase of Rs 45 under Shop-tax over the pre-sent

made for 1901-0 ~~Estimates~~
to be due to (1) the increase in the number of shops in the town and (2) trade flowrishing ~ generally.

2. With regard to para 6 of the said Proceedings, I request that you will be so good as to ~ enlighten me how the figure -246 was arrived at and Sanctioned as opening balance instead of Rs 2900 proposed. I beg to submit that the actual balance on hand on 1st July 1902 was Rs 2944-14-4.

3. With reference to para 12 of the same Proceedings, I beg to submit that the roads of this town very badly require

metalling and I was about to issue orders for the collection of materials for the work.

I request therefore that, taking into your consideration the actual opening balance in favour of this Municipality and the dire necessity for the repairs of roads, you will be so good as to obtain orders of Government, sanctioning the entire charge of Rs 2450 struck out as per margin in the said Proceedings.
